

## GUISELEY WELLS BENCH BLESSING

I invite you to imagine the people – in all their variety – who will sit on this bench in the coming days, months & years...

... and so a blessing

O God, who is with us in every time and place,

bless all who spend time here:

bless those who find peace and refreshment here;

bless those who meet a friend, old or new;

bless anyone feeling sad that they may find hope;

bless those watching children play;

bless those with a dog enjoying the water;

bless every conversation here;

and bless each one of us as we create community.

O God, bless this place.

Amen.
